Mission and Vision

Our story began in Flushing in 1973 with just 9 volunteers but a critical mission: to serve as a bridge for Korean immigrants and help them overcome economic, health and linguistic barriers and become thriving New Yorkers. Fifty years later, that is still very much our mission yet much else has changed.

Today, we provide services in 6 areas: Aging, Education, Immigration, Mental Health, Public Health, and Workforce Development.

TRAILBLAZER

COMMISSIONER KEVIN KIM

Mayor Eric Adams has appointed Kevin D. Kim to serve as the commissioner for the NYC Department of Small Business Services (SBS), making him the first Korean American to hold this position. The SBS is an agency committed to promoting economic self-sufficiency and mobility for New York City's diverse communities through fairness and equality.

Commissioner Kim's appointment has provided the Korean American small business network with a much-needed and valuable point of contact. Recently, Senator Chuck Schumer appointed Commissioner Kim to serve on an eight-person commission responsible for studying the creation of a National Museum of Asian-Pacific American History and Culture. The commission will submit a report to the President on the potential establishment of the museum.

In February 2022, Commissioner Kim was sworn in as a member of the President's Advisory Commission on Asian Americans, Native Hawaiians, and Pacific Islanders. He received his B.A. and M.A. from Stanford University and his J.D. from Columbia Law School, where he was a member of the Columbia Law Review. Commissioner Kim's extensive experience and knowledge make him an asset to these critical advisory roles.

Dear Friends:

It gives me great pleasure to welcome everyone to the Korean Community Services of Metropolitan New York, Inc. (KCS)'s 50th anniversary gala.

Established in 1973, KCS has been both a crucial pillar of strength and support for our city's Korean immigrants and a strong ally in our efforts to raise the floor for all. Its services span six vital fields, including senior care, adult and youth education, immigration support, mental health care, public health research, and workforce development. By helping others navigate the complexities of our immigration system at an affordable cost, this organization has alleviated members' burdens and guided them throughout their journey to citizenship with its clear, compassionate, and comprehensive approach. KCS understands that care must be broad and inclusive, and through its mental health clinic and adult classes in English as a second language (ESL), Korean, and citizenship education, it has carved out a welcoming and wide-ranging space that encourages people to strengthen ties to their heritage, learn about their adopted home, and adjust to the differences in culture and lifestyle. On the occasion of its bicentennial anniversary, I am pleased to commend the work of KCS as it uplifts this thriving community and fortifies the bridge of friendship and mutual respect between New York and Korea.

On behalf of 8.5 million New Yorkers, please accept my best wishes for an enjoyable and successful event.

Sincerely,

Greetings

Dear Friends,

I am honored to be invited to Korean Community Services of Metropolitan New York (KCS)'s 2023 50th Anniversary Gala. I regret that I am unable to attend, but I want to wish a heartfelt congratulations to KCS on its 50th anniversary. I also want to commend the Board of Directors, Staff, Gala Committee, and all who helped to organize this event. It is an excellent opportunity to not only promote Asian American culture, but also to celebrate our community.

All of the work KCS has been doing to support Korean Americans and other immigrant communities in the New York-Metropolitan area is so important. It is through organizations like KCS that Korean Americans can connect over a shared cultural heritage. Especially in a time where division in differences are rampant, building and honoring these connections is incredibly important.

As the son of Korean immigrants, I am especially proud to represent both New Jersey's 3rd District and the Korean American community in Congress. And its organizations like KCS that inspire and remind me to continue working for representation and equality in our government.

Congratulations again to KCS on its 50th anniversary. The importance of KCS's work can not be understated. I look forward to learning more about KCS's ongoing efforts and partnering with you all to advance progress in the years to come. Here's to fifty more years!

Sincerely,

Congratulations to President and CEO Myoungmi Kim and the Board for reaching this remarkable milestone. I also want to extend a special congratulations to this year's honorees, Dr. Sanghyun Alexander Kim and my dear friend Kevin Kim.

Dear Friends,

It is such an honor to be a part of this historic milestone, and to be able to join you in celebrating 50 years of tireless advocacy in our immigrant communities on the part of the Korean Community Services of Metropolitan New York.

And a salute to tonight's deserving honorees, Department of Small Business Services Commissioner Kevin Kim and Dr. Sanghyun Alexander Kim, president of the Korean-American Medical Practitioners Association of New York, two pillars
