KOREAN COMMUNITY SERVICES OF METROPOLITAN NEW YORK (KCS)

We ran relentlessly, focusing only on what lay ahead for 50 years. Korean Community Services, a New York-based non-profit, has stood up together to open a new chapter, embracing other cultures and races. With our Korean spirit, we have overcome the unexpected challenges posed by the pandemic, utilizing our unique experience and collective effort. This period granted us the opportunity to forge ahead and now, Korean Community Services has emerged as a pivotal provider of essential services, catering not only to the Korean American community but also to the needs of diverse ethnic groups, serving as a vibrant Bayside Community Center in addition to nine satellite locations.

* Our vision for the rebuilding of the KCS Community Gym includes state-of-the-art equipment, versatile spaces for various activities, and a positive atmosphere that inspires our community to push their boundaries and discover their potential. Your support will play a pivotal role in revitalizing this hub of culture, connection, and empowerment. Together, we can create a space that fosters unity and growth for generations to come. Let's come together and make this vision a reality. Your participation and support will turn this vision into reality, leaving a lasting impact on generations to come. Join us as we pave the way for a stronger, more vibrant community through the spirit of togetherness.
