

KOREAN COMMUNITY SERVICES

2024 GOLF CLASSIC

Monday Sept 30, 2024
North Hills Country Club

200 Long Island Expressway North Service Road, Manhasset, NY 11030

Since 2017, after moving into our Bayside headquarters, we've been supported by the Korean community in our goal to integrate our Senior Center into the Bayside. KCS Older Adult Center (Senior Center) serves nearly 1000 seniors daily. Our journey, from the initial idea to reality, has faced many challenges. The construction, funded by a government grant, demanded strict adherence to detailed procedures, constant paperwork, and thorough checks before advancing. The COVID-19 pandemic

in 2020 halted all progress. Now, after overcoming numerous hurdles, we're ready to start construction on July 1st, a major step forward. However, we need at least \$500,000 to begin. As we approach this milestone, we see the results of our seven-year efforts and urgently need more support. Please help Korean Community Services become a more inclusive organization that supports not just the Korean community but all Asian immigrants.
